### *Our Affirmation*

Something wonderful is happening  
through me right now.  
It is this thing called Life.  
Life is in my mind.  
Life is in my body.  
Life is in my affairs.  
I think. I feel it.  
I believe it. I know it.  
I accept it with enthusiasm.  
Thank you Life.  
And so it is!

## Namaste

I honor the place in you  
in which the entire  
universe dwells.

I honor the place in you,  
which is of love, of truth,  
of light and of peace.

When you are in that place  
and I am in that  
place in me, we are one.

### Inspirational Talk Rev. Maria Shamaya Clemente

In the kingdom of love there is no competition; there is no possessiveness or control. The more love you give away, the more love you will have. One remembers here Dante's notion that the secret rhythm of the universe is the rhythm of love, which moves the stars and the planets. Love is the source, center and destiny of experience.

## Last Call Spring Retreat

Its time for our spiritual community to gather for a special spring retreat at the beautiful DaySpring retreat center (<http://dayspringfla.org>) in Ellenton! Rev. Maria will facilitate a day of deep renewal and transformation on Saturday, April 6th, from 10:00 am to 4:00 pm. Please reserve and pay for your space by Friday, March 29th. PayPal, check & credit card info is available by emailing [RevMariaS@aol.com](mailto:RevMariaS@aol.com). Cost is on a sliding scale of \$75-\$100 which includes all materials & food.

We will also be meeting for brunch on Sunday, April 7th, at 10:00 am. Come join the celebration!

Out beyond ideas of wrongdoing and righting, there is a field. I'll meet you there. When the soul lies down in that grass, the world is too full to talk about. Ideas, language, even the phrase each other doesn't make any sense. —Rumi

Courage in recovery means following our heart's inner guidance and intuition that comes from the still small voice within each of us. Turning away from our fears and not reacting to the louder voices that have become our well-worn defense mechanisms, allows us to experience the expression of God which is our essence. When we allow ourselves to show up in courage, we become a vehicle for our higher power to use us and we become the gift we wish to be in the world.

Courage: Firmness of mind and will in the face of extreme difficulty; mental or moral strength to withstand fear.

1. In what areas of your life can you display more courage?
2. What would your life look like if you had the courage to discover your gifts and share them?
